MONTHLY PROGRAM

July. Mamye and Sis taught a square basket with a push in handle

August. We stained the wood bases for the August basket class. Homework is to put spokes in the base. Add a little glue so the spokes will be sure to stay put.

September. Loom weaving with Sue McFarland. Sue has looms for sale for \$15.00. She will provide materials for the September class for \$15.00. If you have your own materials and loom, the class will be free. If you want to take the class but not buy a loom, she will loan you one for the class.

November. Michael took a class with Matt Tommey and learned how to weave the natural materials. He is willing to teach us how to weave with naturals. The cost will be \$45.

OLD BUSINESS

We are providing baskets to the Greenwood Soup Kitchen for the Empty Bowles event in September. Please bring your completed basket(s) to the July meeting so Sue can get them to the event in a timely manner.

Michael is willing to make pottery bases/bowls. A disc is \$5; bowl is \$10, flared bowl is \$20. He will take orders in August and will have them ready by January so we can teach each other how to coil, twine, twill, or weave on pottery.

NEW BUSINESS

Scottie made a motion to grant Peggy McCarson free lifetime membership to the guild. The members voted yes so the motion carried. Congratulations Peggy.

Lunch for August will be on your own
